09/27/2018	Jennifer Jackson	Dr. Ben-Meir did 1 injection and I will not go back for the 2 nd . I had horrible pain for weeks and could not walk well at all. I called the office to talk to him and he did not call me back in 1 week. I felt very u [sic] safe under his care. This practice is not good. Dr. Ben-Meir is not ethically correct and mistreated me. I am an old lady in pain. I should not have suffered this way. I would NOT recommend him to anyone !!!	https://www.google.com/maps/contrib/110262736013064856694/reviews/@40.7469456,-74.0380055,17z/data=!3m1!4b1!4m3!8m2!3m1!1e1?hl=en-US

09/27/2018	J Cortes	My KNEE got INFECTED after he injected it and I had to go the ER. I was on antibiotics for 2 weeks. HE NEVER CALLED TO CHECK [SIC] ON ME AFTER THE INJECTION. Dr. Ben-Meir had a very dirty technique and used non-sterile gloves. I am not going back to him. He caused me so much agony and pain after a simple injection.	https://www.google.com/maps/contrib/108548445272559314370/reviews?hl=en-US&sa=X&ved=2ahUKEwjYj6P17JXfAhXiYt8KHeWRDAIQvvQI3egQIARA4
10/01/2018	A Rodriguez	Ben Meir treated me with injections that did not help at all. There was no improvement at all and he still kept on insisting to inject more. My sugar got very high and I gained so much weight. My family doctor called him and told him to stop injecting me with so much steroids. He treated me like a 'PINCUSHION' I would not recommend him to anyone	https://www.google.com/maps/contrib/102654776892085322057/reviews?hl=en-US&sa=X&ved=2ahUKEwj0Ib2L7JXfAhUIZd8KHOG6D3kQvvQBegQIARAT
10/01/2018	A Wilson	Dr Ben Meir made me very uncomfortable since he examined me in the room WITHOUT a nurse. This was below a standard of care exam. since I am a retired nurse, I can tell HE is not trustworthy. He should not examine female patients without a nurse in the room. I am very upset with this bedside manner.	https://www.google.com/maps/contrib/112591743103588733414/reviews/@40.7469456,-74.0380055,17z/data=!3m1!1e1!14m3!8m2!3m1!1e1?hl=en-US
10/02/2018	George Storm	Dr Ben Meir staff lost my mri and emg results. They blamed me for it. The doctor was rude and very short and unprofessional with me. I wasted weeks to go back to the mri facility to get the results and saw the doctor again. He was useless. He said he can not help me and he does not treat fibromyalgia after I wasted 2 months to see him, he was no help. What kind of doctor is this? Disappointing experience	https://www.google.com/maps/contrib/103369719591800128244/reviews?hl=en-US&sa=X&ved=2ahUKEwj8leLT7JXfAhVOT98KHTJCBDoQvvQBegQIARA
